Tile Laying Possibilities

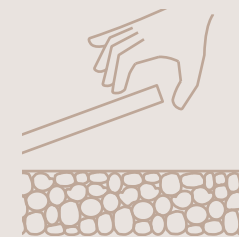

Laying on screed with Adhesives

Lay these surfaces on a bed of screed with adhesives for areas like living spaces, bedrooms, courtyard, and outdoor and indoor areas.

Laying on a raised Floor

Tile the uneven areas and terrains and transform them by laying these glossy & rustic tiles on raised floors, pedestals, frames, and more. Create room for a heating system, insulation, additional raised area, and more with the extensive laying possibilities of this collection.

Laying on Gravel

The robust and resilient collection is ideal for laying directly on gravel in your outdoors with or without adhesive. Create a stepping stone path, patio, and more by just laying the thick tiles on the gravel in your outdoors.

Dry Laying on the Grass

Dry-laying these surfaces on the grass of your garden and other areas both indoors and outdoors can create a magnificent pathway in your indoor garden and more.

Multiple Surface Application

These surfaces are crafted for multiple applications. You can apply them in your living space, making a magnificent backdrop for your television set-up or just throughout your space, creating a uniform aesthetic with vibrant hues.
